A modern living and office space. On the left, a white-framed glass door leads to a wooden deck. The wall is covered in light-colored vertical wood paneling. A framed picture of a ship, titled "BLUE STAR LINE NORTH AMERICA", hangs on the wall. In the center, a dark wood desk with a black leather office chair is set up. To the right, a light-colored sofa with several patterned and solid-colored pillows is positioned. A wooden coffee table sits in front of the sofa. Large windows with white blinds are in the background, and a floor lamp stands near them. The floor is made of light-colored wood. A dark blue diagonal bar is at the bottom of the image.
